**Astensione dal lavoro di 24 ore**

**Gtt, scioperano i sindacati autonomi  
il Comune sospende la Ztl centrale**

I sindacati autonomi del settore dei trasporti in rotta di collisione con Gtt hanno proclamato uno sciopero di 24 ore di tutti i dipendenti che è scattata da questa mattina. Il Comune di Torino per cercare di prevenire i possibili disagi nella circolazione ha deciso di sospendere la validità della Ztl centrale. Dunque le auto private potranno circolare e anche parcheggiare (a pagamento) liberamente dalle 7.30 alle 10 e trenta nel centro anche se gli automobilisti dovranno ricordarsi il divieto d'accesso nelle zone trasporto pubblico, nelle aree pedonali e nella Ztl dell'area Romana.

**6 ore  
garantite**  
metro e bus urbani in servizio dalle 6 alle 9 e dalle 12 alle 15

**2 fasce  
protette**  
Rete extraurbana si circola dall'inizio del servizio alle 8 e dalle 14.30 alle 17.30

Faisa-Cisal e Fast-Confsal hanno deciso di aprire una vertenza nei confronti di Gtt che coinvolge sia il personale viaggiante sia quello che lavora negli uffici. Lo sciopero dei

dipendenti Gtt durerà tutta la giornata, ma il servizio sarà garantito nelle seguenti fasce orarie: servizio urbano, suburbano e metropolitana dalle 6 alle 9 e dalle ore 12 alle 15; autolinee extraurbane da inizio servizio alle 8 e dalle 14,30 alle

Questa mattina l'accesso alla Ztl centrale sarà libero

17,30; Pont-Rivarolo-Chieri (ferrovia Canavesana) e Torino-Aeroporto-Ceres da inizio servizio alle 8 e dalle 14,30 alle 17,30. Sarà anche assicurato il completamento delle corse in partenza entro il termine delle fasce di servizio garantito.

L'astensione dal lavoro potrà avere ripercussioni anche sull'operatività dei Centri di Servizi al Cliente e sui diversi servizi gestiti da Gtt, con conseguenti possibili disagi per la clientela.

## I vigili: «Sciopero il giorno dell’Fvg Pride»

Le segreterie provinciali di **Cisal** Ee LI Fvg e Ugl Fp che rappresentano la polizia Locale nell’Uti Centrale hanno proclamato una giornata di sciopero per il 10 giugno, giornata in cui a Udine è in programma l’Fvg Pride. «Le scriventi organizzazioni sindacali, firmatarie del contratto collettivo regionale di lavoro del personale del Comparto unico non dirigenti del Friuli Venezia Giulia, non avendo trovato le risposte attese nel corso degli incontri con la dirigenza della Unione territoriale intercomunale, né avendo avuto risposte dal Comune di Udine e dagli altri Comuni, ferme le problematiche già sollevate in sede di conciliazione, proclamano una giornata di sciopero». In discussione sono la riorganizzazione dei servizi e degli orari, l’uniformità di trattamento economico tra gli ex dipendenti del Comune di Udine e gli ex dipendenti delle amministrazioni minori; l’impiego territoriale del personale all’interno dell’Uti. Ma soprattutto l’indennità “di arma (circa 90 euro) tolta ai vigili di Udine e quella “di turno” mancante agli altri. I sindacati a questo punto si giocano la carta Fvg Pride, sperando serva.
